

Lancaster High School Winter Guard 2020

Waving Through a Window

Directed by: Kristi Rogacki, Assistant Directors are Hannah Maciejewski, and Domenica Kingsland. Additional staff includes Ava Zeman.

Lancaster High School is returning to the A1 class with their 2020 program, "Waving Through a Window".

The program showcases the ongoing struggle of how we constantly feel pressured to fit in and be accepted. But when our self-worth isn't elevated by others we must find it within.

Throughout life we grow to appreciate our uniqueness, realizing that only true happiness is found in our courage to be ourselves. Out of confusion, we break out of our shells to live fearlessly, confidently, and authentically.

Lancaster High School will be attending 7 local competitions as well as the NECGC Championships. LHSWG is wishing everyone good luck and an amazing season!
