

Batavia A Winterguard Presents Their 2020 Show:

We Can Grow Together

Batavia Winterguard Program is under the direction of Jane Haggett. Batavia SA Winterguard is under the direction of Bridget Hogan, Gena Rainforth, and Erin Whipple. Show design and concept is a collaboration from Bridget Hogan, Gena Rainforth, and Erin Whipple. We would like to give a special thank you to the Batavia boosters and our volunteers. This year's program will demonstrate how in nature and life we can grow stronger with those around us instead of going it alone. Batavia A proudly presents their performance: We Can Grow Together--
