## Hilton Winterguard

Hilton winterguard is directed by Shelly Bruni and assisted by Myranda Powell. And thank you to our amazing parents. Hilton wasn't sure if they were going to be coming out with a Winter Guard this season until just a couple of weeks ago. And we are so excited we did!

We are performing to Can We Autocorrect Humanity by Prince EA. Communication or lack thereof is corrupting humankind. There's no more communicating face-to-face anymore. It's all by texting, Facebook, Instagram, Twitter and Skyping. There are damaging effects of social media and Technology on society. And we need to encourage everyone to be present in their own lives.
