

LUMINOSA WINTERGUARD

“Third Times a Charm” is this year’s concept to Luminosa Winterguard’s first year competing in the Senior Class.

His name does not need to be repeated in rapid succession but how quickly must the name be repeated for the summons to work? Maybe it isn’t about how much time passes but how we are on this adventure together makes us a little strange and unusual.

So let’s turn on the juice and see what shakes loose! It’s SHOWTIME!

Luminosa Winterguard would like to wish all the North East Color Circuit Guards the best of luck this season!!
